

# Manual for Vrm Manager

---

Login as a Bti User => tools => Crm entries.

Crm Dashboard: Overview of the Tasks.

Sales Crm: Create Notes, Interactions and Tasks for certain Customer.

- Green Dot => Due Date in the future
- Yellow Dot => Due Date today
- Red Dot => Due Date in the past

## Create a note for a Manufacturer:

1. Go to *Vrm*.
2. Click on *New Entry*.
3. Choose Note on *Type* dropdown.
4. Choose *Manufacturer*.
5. Fill in *Text*, and *Contact* information.
6. Click *Save Entry* Button.

## Create a interaction for a Manufacturer:

1. Go to *Vrm*.
2. Click on *New Entry*.
3. Choose Interaction on *Type* dropdown.
4. Choose Interaction Type on *Interaction Type* dropdown.
5. Choose *Manufacturer*.
6. Fill in *Text*, *Duration*, and *Contact* information.
7. Click *Save Entry Button*.

## Create a Task for a Manufacturer:

1. Go to *Vrm*.
2. Click on *New Entry*.
3. Choose Task on *Type* dropdown.
4. Choose Bti User on *Assign to* dropdown.
5. Choose *Manufacturer*.
6. Choose *Due Date* (Due Date must be in the future).
7. Fill in *Text*, and *Contact* information
8. Click *Save Entry* Button.

## Add Note or Interaction to Task:

1. Go to *Vrm*.
2. Click on *Assignee Name*.
3. Click on *+append*.

4. Fill in data.
5. Click **Save Entry** Button.

## Change Status of a Task:

To change the status, the Task must have a Note or Interaction attached.

1. Go to *Vrm*.
2. Click on *Assignee Name*.
3. Click on *Change Status*.
4. Fill in data.
5. Chosse **Status** (Completed or Close without complete).
6. Click **Save Entry** Button.

## To delete a Task, Note or Interaction:

Only the creator of the Task, Note or Interaction can delete the entry. A Task can only be deleted if the Task is Completed or Closed without complete.

1. Go to *Crm*.
2. Click on *Assignee Name*.
3. Click on *delete*.

Note: On the Bti Dashboard after the login as a Bti User, a bar will appear on the top, if a task due date is today or in the past. You can click on **manage** and go directly to the Crm Dashboard.
